## **EXPERIENCE**

**Editor** | Sioux Falls Business Journal, Sioux Falls, S.D., March 2017 - current

- Covered the downfall of a wannabe aquaponics and cryptocurrency magnate who nicknamed himself "The Tiger."
- Led business coverage in one of the fastest-growing cities in the Midwest.

**Freelance Journalist** | March 2003 – present

- Wrote about baby mummies, a "yeti" hand and an abandoned desert cinema, with work published in Atlas Obscura, The Classical, Egypt Today and Perpetual Post.
- Was featured in a Travel Channel show about Pedro Mountain Mummy research.

**Staff Writer** | Cincinnati Enquirer, Cincinnati, Ohio, Feb. 2015 - March 2017

- Multiple positions: Over two years served as Opinion Writer, then 2016 Campaign Reporter and, finally, Neighborhoods Reporter.
- Covered the 2016 presidential races in Ohio, including an interview with Donald Trump that ended early after Trump didn't like a question.
- Covered the overnight murders of eight members of the same Appalachian family.
- As lead editorial writer, wrote editorials that kept police accountable, mourned the loss of two first responders, and led on issues including child poverty.

**Opinion/Contributing Editor** | Casper Star-Tribune, Casper, Wyoming, January 2011 – January 2015

- Multiple positions: Over four years rose from Energy Reporter to Assistant Managing Editor and Business Editor before serving as Interim Editor and Opinion Editor.
- Covered and broke news of the first meeting between NAACP and KKK leaders, in a small meeting room in a Casper hotel.
- Led award-winning coverage of Wyoming's high rate of oil refinery safety violations, workplace fatalities and homelessness.
- Broke news of EPA testing failures in the Pavillion fracking case, an oil well blowout and coal and oilfield worker deaths.

**Business Reporter** | Rapid City Journal, Rapid City, S.D., August 2008 – August 2009

- Exposed the downfall of a local housing magnate amid the Great Recession.
- Turned the Journal's business blog into its most popular blog within six months.

**City Reporter** | Watertown Public Opinion, Watertown, S.D., July 2007 – July 2008

- Broke news of property tax disparities, news that toppled the county assessor.
- Interviewed Barack Obama during his 2008 presidential campaign stop in Watertown.

## **EDUCATION**

**M.A., Diplomacy and international commerce**, Patterson School of Diplomacy and International Commerce, University of Kentucky – 2010

**B.S., Mass communication and political science**, South Dakota State University – 2008
