Dear Colonel Harrigian

Thank you for your staff's outstanding support of the 746th Test Squadron's 50th anniversary weekend May 15 to 17. The public affairs staff coordinated stories, press releases and photographs. They used the best channels to disseminate information which directly contributed to the success of our weekend.

Mr. Arlan Ponder and Lt Michele Rollins are assets to the wing. They were professional, knowledgeable and instrumental to the success of our event. More than 75 folks, from three states, participated in the weekend of events as a result of PA's efforts.

We appreciate your continued support of the 746th Test Squadron.

Sincerely

AMY J. McCAIN, Lt Col, USAF
Commander
