**1. A Memorable Celebration @ Riang Ria Aidilfitri Datasonic 2024**

On 25 April 2024, Datasonic hosted its annual *Hari Raya Aidilfitri* Open House, "Riang Ria Aidilfitri Datasonic 2024," at the scenic Boraombak Marina Putrajaya. This year's event was particularly special, marking our highest attendance yet with over 1,200 guests joining us to celebrate. The gathering provided a wonderful opportunity to connect and celebrate with our valued clients, making it an unforgettable occasion for everyone involved.

**2. Datasonic Soars to Record Profits in FY2024**

In a remarkable achievement, DATASONIC has reported its highest-ever net profit (PAT) of RM92.2 million for FY2024, marking a significant 20.8% year-on-year increase. This growth was driven by strong demand for passports, ID cards, financial cards personalization services, and enhanced operational efficiency. Additionally, the company's revenue reached a record high of RM368.3 million, a 6.8% increase from the previous year. Notably, 4QFY2024's PAT of RM38.6 million represents the Group's best-ever quarterly performance.

**3. Datasonic Secures Significant Contract Extensions with KDN**

Datasonic Group Bhd has successfully secured five contract extensions from the Home Ministry (KDN), amounting to RM181.66 million. These extensions, effective from 1 June 2024 to 30 November 2024, encompass crucial services including the supply of MyKad, MyTentera, and MyPOCA raw cards and consumables to the National Registration Department (JPN), as well as the supply of Malaysian passport chips, documents, and polycarbonate biodata pages. Additionally, Datasonic has received an extension for amendments to the contract providing comprehensive maintenance services for card personalisation centres at JPN. This achievement underscores our commitment to delivering essential solutions and services to our nation's critical infrastructure.

**4. Breaking New Ground: Datasonic Group Secures First Overseas E-passport Contract**

We are delighted to announce that Datasonic Group Bhd has clinched its inaugural overseas e-passport 5-years contract valued at RM20 million for a West African nation. While the specific country remains undisclosed by management, this milestone signifies a significant step forward for Datasonic Group in expanding its footprint beyond Malaysia. The project, slated to commence by the end of 2024, marks a pivotal achievement for the company and positions us favourably as a benchmark for neighbouring and global markets alike.

**5. Datasonic Sponsors MADANI National Learning Module**

Datasonic proudly sponsored the MADANI National Learning Module, held on 5 June 2024 at Dewan Seri Siantan, Putrajaya. Under the visionary leadership of Prime Minister Dato' Seri Anwar Ibrahim, this initiative aims to revolutionize civic education in Malaysia. The module seeks to enhance civic consciousness, promote ethical governance, and foster national unity among Malaysians.

#### **6. Exploring Opportunities: Kerajaan Negeri Perlis Visits to Radius**

On 14th June, we welcomed a delegation from Kerajaan Negeri Perlis for a special briefing session at Radius. The program focused on discussing potential projects with our esteemed guests, fostering a constructive dialogue aimed at future collaborations. As part of the engagement, we proudly showcased our diverse range of products, highlighting our capabilities and commitment to innovation. This visit marked a significant step towards forging stronger partnerships and exploring new avenues for growth.
