1) Datasonic Reports Strong 2Q2022 Result

Datasonic Group Berhad announced its financial results for the second quarter that ended 30 September 2022, where the company announced revenue growth of RM24.91 million from RM1.01 million in the year-ago quarter as revenue more than doubled. The growth was mainly driven by the supply of smart cards, passports, and personalisation services, which increased customer demand for the said materials and services.

2) Strategic Alliance with Republic of Guinea

Datasonic recently signed a Memorandum of Agreement (MoA) with the Republic of Guinea to accelerate the collaboration relating to the printing of secure documents, digitisation, and improvement of land management solutions and services. Datasonic will be the prime contractor under the agreement, while Guinea's Ministry of Urban Planning, Housing, and Territorial Development (MUHAT) will be the project owner.

3) Datasonic Donates RM127,400 to Asrama Kasih Sayang

Datuk Hanifah Noordin, The Executive Chairman of Datsonic Group Berhad handed over a mock cheque of RM127,400 to Asrama Kasih Sayang's Administrator, Tabib Muhammad Siddiq at a simple ceremony held at Datasonic Headquarters on 2 December 2022. This contribution was one of the Zakat CSR initiatives that were officially established in September 2022.

4) Road to Metaverse!

Datasonic Group Berhad inked a Memorandum of Understanding (MoU) with Meta Doers World Holding Berhad to form a strategic partnership through the incorporation of a Joint Venture Company to explore the opportunities related to Metaverse, focusing on education and healthcare industries. The Metaverse was created to become a modern communication platform and make it easier for users to do daily activities such as working, playing, and socialising.
