PRESS RELEASE

Datasonic Nominated for Prestigious ASEAN Master Class Award at the 9th ASEAN Outstanding Business Awards 2023

KUALA LUMPUR, 12 December 2023 – Datasonic Technologies Sdn Bhd, a leading provider in ICT security solutions have been nominated for the ASEAN Master Class Award– Leading in Innovative ICT Security System Excellence at the 9th ASEAN Outstanding Business Awards 2023. The awards ceremony is scheduled to hold on 12 December 2023, from 6:00 pm to 10:30 pm at the Grand Ballroom, Shangri-La Hotel, Jalan Sultan Ismail, Kuala Lumpur.

The Managing Director of Datasonic Technologies Sdn Bhd, Datuk Hj. Ab. Hamid Mohamad Hanipah, graciously accepted the esteemed award, solidifying the company's commitment to excellence in the field of innovative ICT security systems. The ASEAN Master Class Award recognizes outstanding achievements in the field of Innovative ICT Security System Excellence, and Datasonic Technologies Sdn Bhd is proud to be among the distinguished nominees for this prestigious accolade.

Datuk Hj. Ab. Hamid Mohamad Hanipah, the Managing Director of Datasonic Technologies Sdn Bhd, expressed his enthusiasm about the nomination, stating, "Being nominated for the ASEAN Master Class Award is a testament to our unwavering commitment to excellence and innovation in the field of ICT security systems. This recognition serves as a symbol of prestige and motivation for aspiring entrepreneurship within our organization and the industry at large."

The ASEAN Outstanding Business Awards aim to celebrate and cultivate emerging business leaders while enhancing the capabilities of established ones. Datuk Hj. Ab. Hamid Mohamad Hanipah emphasized the significance of the awards in fostering growth and leadership within the business community. "We see this nomination as an opportunity to further contribute to the cultivation of emerging business leaders and the enhancement of established ones. It is a moment to reflect on our journey, celebrate our achievements, and set new milestones for the future," he added.

Looking ahead, Datuk Hj. Ab. Hamid Mohamad Hanipah shared his hopes for Datasonic Technologies Sdn Bhd, stating, "As we continue to evolve in the dynamic landscape of ICT security, we aspire to be at the forefront of innovation, setting new standards and ensuring the highest level of security for our clients. This nomination fuels our determination to push boundaries and achieve even greater success in the future."

Datasonic Technologies Sdn Bhd extends its gratitude to the ASEAN Retail-chains & Franchise Federation and the organizers of the 9th ASEAN Outstanding Business Awards for this esteemed recognition.
