

# Style **STALKER:** *Polka Party*

The celebs are going dotty for this retro print

**HANNAH COOPER-DOMMETT**

Hannah joined presenter husband Joel Dommett for a day out at Ascot, keeping it classic in a black and white monochrome look.

**KAIA GERBER**

Model-turned-actress Kaia painted the town red as she attended the *Gonzo Girl* premiere. She paired this cherry red Lily Silk frock with beige kitten heels for a totally effortless vibe.

**PIXIE GELDOP**

Giving her signature smoulder, Pixie gave a masterclass in model chic as she rocked this chocolate-coloured dress. Brown is definitely the new black...

**HAILEY BIEBER**

Spotted in New York, Hailey doubled down on two of summer's hottest trends: polka dots and capri pants. Her Paloma Wool trousers are screaming retro.

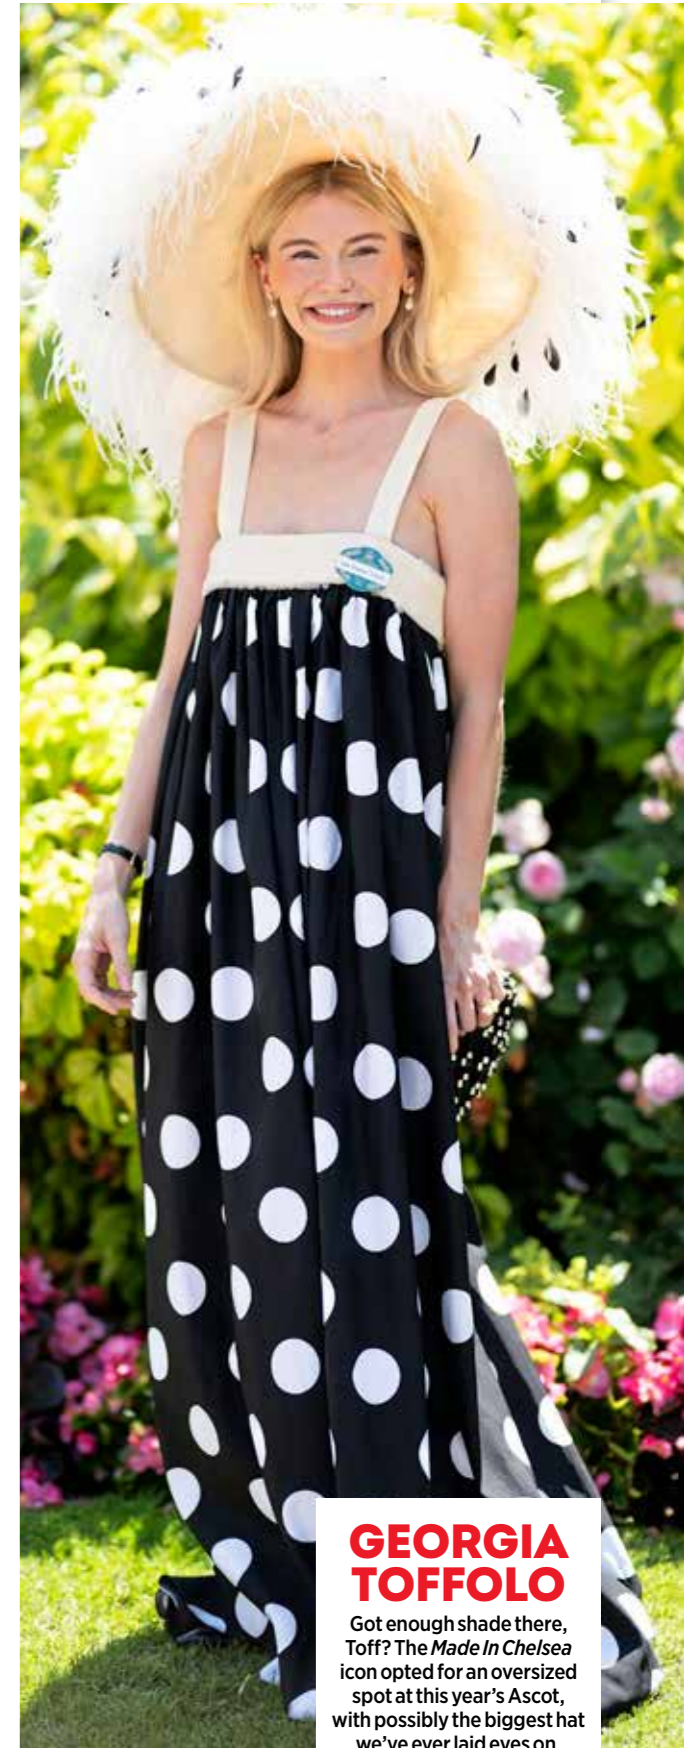

**LILI PIPER**

With a big sis like Rochelle Humes, it's no wonder Lili looks good. The star opted for a high-street steal at Ascot, with this gorgeous frock from Lipsy.

**PRIYANKA CHOPRA**

The *Love Again* star was a total vision in her tailored spotty dress and elegant black gloves. Now, that's how you do dots.

**GEORGIA TOFFOLO**

Got enough shade there, Toff? The *Made In Chelsea* icon opted for an oversized spot at this year's Ascot, with possibly the biggest hat we've ever laid eyes on.
