

Digital Drug Testing with Smart Screens - Fast, Easy, and More Reliable

Hi Staffing Agency,

Tired of the traditional, manual drug testing process? We've got the solution for you!

Introducing the new SMART SCREENS DIGITAL DRUG TESTING - the first and only digital reader that streamlines the entire drug testing process. With Smart Screens, you won't have to manually read, document, and fill out several forms anymore. Let our innovative digital reader do all the work - from scanning results, storing data, and confirming completion, all while maintaining confidentiality every step of the way. Staffing operations is now easier than ever.

See how SMART SCREENS DIGITAL DRUG TESTING saves you time and minimizes mistakes.

Visit our website and schedule a demo now.

Best Regards,
Smart Screens Team
