Virtual Care for **Brodart**
♥ **aetna**® Plan Members

We're not always able to drop everything and see our doctor at a moment's notice, especially when appointments need to be booked long in advance.

With Teladoc, all you have to do is make a call—at any time, day or night—and a U.S. board-certified provider will help identify flu, allergies, sinus infections, sore throat, and more.

And these non-emergency visits are **FREE** for Brodart Aetna Plan employees.

Beyond 24/7 General Medical calls,
