Prize Includes:

- A 45 minute guided Thermal Journey session with a certified SHERPA Cold Water and Breath Guide.

Learn the best practices for transitioning your body from one extreme temperature to the other while working on breathing effectively. Experience the thermal journey in a safe and healthy way.

- A guided group meditation so you can clear your mind of all your troubles and prime yourself for the rejuvenating day you've been waiting for.
- Reserved access to the Thermal Journey so you can experience our hot and cold installations at your leisure. Enjoy our spa amenities and bask in total tranquility.
- A gift to take home from our Spa Boutique to serve as a reminder of your peaceful escape in nature. Hopefully, it encourages you to visit again soon!
