Project Concept

This is a landing page demonstrating how a staffing firm could promote copywriter talent to marketing teams. The page mirrors the tone and structure used on Robert Half's hiring and consulting pages.

Objective

Help marketing leaders quickly connect with qualified copywriters who can support campaigns, brand messaging, and digital marketing initiatives.

Deliverable

Landing page concept and wireframe designed to reflect the structure and messaging used on Robert Half hiring pages.

HERO SECTION

Hire Copywriter Talent That Keeps Your Marketing Moving

Find experienced copywriters for campaigns, websites, email marketing, and brand messaging. Connect with professionals who match your brand voice and deliver results.

[Book a consultation] [Preview candidates]

Flexible hiring options for contract, contract-to-hire, and permanent roles.

[Hero Image – marketing team working]

TRUST BAR

Connecting Companies with Top Talent for More Than 75 Years

Access a global network of professionals ready to support your business.

PROBLEM SECTION

Finding the Right Copywriter Can Slow Progress

You need writers who understand your brand voice, demonstrate strong marketing insight, and deliver persuasive messaging across channels. But finding professionals with this combination of skills can take time.

Deadlines are tight and initiatives move quickly. Lengthy hiring processes can delay your marketing goals.

[Optional illustration]
