

join us for **sculptra**[®] Lunch & Learn Event

Friday, April 10, 2015 from 11am - 1pm

RSVP TODAY!
ONLY 10
Spaces Available

You're invited to lunch with us and learn about Sculptra Aesthetic, a unique facial injectable that replaces lost collagen from aging. Sculptra is the only volumizer that's scientifically designed to stimulate natural collagen growth. It gives skin a soft, natural, youthful glow and can last more than two years.

- Enjoy a complimentary catered lunch
- Receive a personalized anti-aging consultation
- Special event pricing
- Learn all about Sculptra and what makes the lift so natural and long-lasting

Before

After

Before

After

Sculptra Aesthetic works in a series of treatments administered by a Sculptra Aesthetic trained physician. On average, 3 injection sessions are needed over a period of a few months, to produce noticeable results that emerge subtly and can last more than 2 years. *Photos have not been retouched.*

- You must RSVP to participate. Space is limited.
- Only 10 spaces available.
