Trusted. Experienced.

GovPayNet.

GovPayNet is a leader and solution-focused processor of credit and debit card payments to government agencies and contractors providing services to government. We facilitate quick and convenient payments when it matters.

Our trusted reputation is the result of 20 years of experience combined with a commitment to provide superior and innovative payment solutions.

We're a trusted resource that processes more than **2.2 million payments** annually for over **2,300 agencies** in **35 states**.

GovPayNet Helps Make Payments Simple

According to recent studies*, card payments continue to be the fastest growing payment method. Since your payers rely on security and convenience, GovPayNet offers a variety of advantages:

- Major card brands accepted—credit, debit & prepaid debit
- On-site, online & phone payment options available 24/7/365
- Bilingual agents, on hand 24/7
- Proactive anti-card fraud measures
- The highest PCI security rating

*According to Federal Reserve data and studies by Fiserv & Tsys

Your Customers Can Pay When, Where and How They Want

ON-SITE

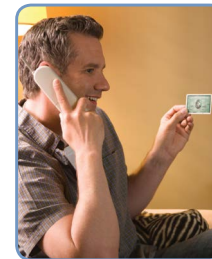

Gov\$wipe®, our countertop e-commerce solution, automates data entry during payment and is easy to set up. All you need is a connection to an Internet-enabled computer via USB.

ONLINE

Customized landing pages and search functionality make it simple for payers to pay online at their convenience.

BY PHONE

- Toll-free payment hotline: 888•604•7888
- Fully staffed, bilingual call center with live operators who take payments by phone — **an added convenience many competitors don't offer.**
