## Melton Antisemitism Course

(6-week course)

History tells us that antisemitism doesn't simply vanish; it evolves, shifting to reflect the dominant ideologies of the time. This makes it more important than ever to understand its roots, recognize its patterns, and stand prepared to counter its rise.

Join CSI Lifelong Learning, beginning **March 26th**, for a six-part course that takes you through the historical development of antisemitism, revealing how it has evolved and why it continues to resurface. Together, we can break the cycle and build a future grounded in understanding and respect.

Use coupon code **ISRAEL50** when registering.

## UnBroken Film Showing

Sunday, April 6th - 3:00pm

The showing of this film at CSI  
will be the first time in the

## Westchester area!

UnBroken chronicles the seven Weber siblings who evaded certain capture and death, and ultimately escaped Nazi Germany following their mother's incarceration and murder at Auschwitz. After being hidden in a laundry hut by a benevolent farmer, the children spent two years on their own in war torn Germany. Emboldened by their father's mandate that they 'always stay together,' the children used their own cunning and instincts to fight through hunger, loneliness, rape, bombings and fear. Their journey culminates with a painful ultimatum, when, separated from their father, they are told that they must declare themselves as orphans in order to escape to a new life in America. Unbeknownst to them, this salvation would become what would finally tear them apart, not to be reunited for another 40 years.

Following the film, we are fortunate to host Ginger Lane, who will join us in a 45-minute discussion and Q & A session. Ms. Lane is the mother of the writer/director of the film and will present a very personal view of her life during and after the war, in Germany and America.
