CREATIVE ECONOMY

A large-scale film set is shown in a dark studio environment. A massive blue backdrop is suspended from the ceiling, creating a bright, overcast sky effect. In the foreground and middle ground, numerous crew members are silhouetted against the light from the backdrop. They are standing on a polished concrete floor, some looking towards the set. The background features several rustic wooden buildings, including barns and houses, which are part of the film set's scenery. The overall atmosphere is one of a busy, professional production environment.
