3. TRAIN WHERE THE INDUSTRY LIVES

Vancouver is 1 of the top 3 film & animation hubs globally, home to productions by Netflix, Marvel, Disney, EA, and more. VFS is surrounded by real working studios.

Instructors at VFS aren't just teachers — they're active writers, animators, directors, designers, and producers working on the very shows and games you admire.

5. PORTFOLIO-FIRST, JOB-FOCUSED PROGRAMS

VFS programs are designed to build your demo reel, portfolio, and resume while you study. You'll graduate with real, showable work — not just theory.

6. ALUMNI WORK EVERYWHERE

From *Barbie* and *Severance* to *Assassin's Creed Shadows* and *The Last of Us*, VFS grads are shaping pop culture across film, TV, games, and animation.

7. HASSLE-FREE STUDY PERMITS & TARIFF-FREE TUITION

Canada offers student-friendly permit processes, and VFS supports American students every step of the way — no tariffs, or bulky exchange rates, just smooth entry into your creative education.

8. GLOBAL INDUSTRY CONNECTIONS

VFS students attend networking events, industry panels, and even pitch to professionals. Many grads get hired or signed straight out of school.

9. WORKSHOPS, MENTORSHIP, & INDUSTRY COLLABORATION

VFS programs include studio-grade pipelines, mentorship, and real-time collaboration with industry partners like Maximum Effort, General Motors, and The Invictus Games.
