Three appear in court following €100k drugs, cash arrests

By Cara McHugh

AS part of an ongoing operation targeting the sale and supply of drugs in the area, Gardai carried out a search under warrant of two residences in Sligo on Monday the 26th January.

Members of Sligo/Leitrim Divisional Drugs Unit, assisted by the Armed Support Unit, searched a property in the town and seized suspected cocaine with an estimated street value of €70,000, cannabis with a value of €12,900 and just under €20,000 in cash.

A woman in her 30s and a man in his 40s were arrested at the scene and detained at a station in the Garda North Western Region under Section 2 of the Criminal Justice Drug Trafficking Act 1996.
