PERSONAL PROFILE

A committed and self-motivated journalism graduate currently pursuing a MSc in Nationalism in Global Perspective at the University of Edinburgh. Holds a strong academic foundation in Political Science and Journalism from Mount Carmel College, with a focused interest in minority rights, caste-based discrimination, and social justice reporting.

Experienced in editorial production, research, and multimedia storytelling, with a background in newsroom work, advocacy campaigns, and content development. Passionate about using journalism, particularly documentary formats, to amplify marginalised voices and bring marginalised stories to light. A strong communicator with excellent writing and analytical skills, dedicated to producing impactful, ethically grounded journalism.

WORK EXPERIENCE

- **Aviation Reporter Intern:** Travel Radar **Present**
Edinburgh, Scotland, United Kingdom (Remote work)
 - CPD Level 7 Journalism Training.
 - Reporting and writing on Aviation related issues.
- **Editorial Intern:** New Delhi Television (NDTV) **Jun 2023 - Jul 2023**
New Delhi, India
 - Contributed to the editing of news bytes and feature stories for televised broadcast, ensuring editorial accuracy and adherence to format guidelines.
 - Proposed original story ideas and tracked evolving news trends to inform content strategy and segment planning.
 - Undertook comprehensive research and conducted comparative media analysis to maintain topical relevance and content depth.
 - Developed a nuanced understanding of journalistic ethics and the operational realities of the Indian media landscape through hands-on newsroom experience.

RESEARCH EXPERIENCE

- **Effects of Israeli occupation on Palestinian literature and culture and effects of Indian occupation on Kashmir.** May 2023 - Aug 2023

Master Thesis, The University of Edinburgh, Supervisor: [Gezim Krasniqi](#)

- Conducted a comparative study examining how occupation and militarisation are represented in Palestinian and Kashmiri literature, with a particular focus on themes of trauma, resistance, identity, and memory.
- Analysing a diverse range of literary works, including poetry, memoirs, and fiction, alongside cultural outputs such as visual art and documentary films, to explore how narratives of suffering and resilience are constructed.
- Investigated the impact of prolonged conflict and censorship on cultural production, language, and collective memory in both regions.
- Drew on postcolonial theory, trauma studies, and subaltern literature to interpret the interplay between lived experience and artistic expression under occupation.

PRESENTATIONS

- “Role Played by woman during conflicts in Liberia and Sierra Leone”, February 2025, The University of Edinburgh
