

QUESTIONS ABOUT COLLEGE?

Ask an Advisor!

Forest Park's Student Advising Center has the answers you need to help plan your course of study at college. We have the latest information on college programs, degree requirements and academic policies and procedures. We can help you interpret your assessment test results and make sure you sign up for the classes that meet your educational goals.

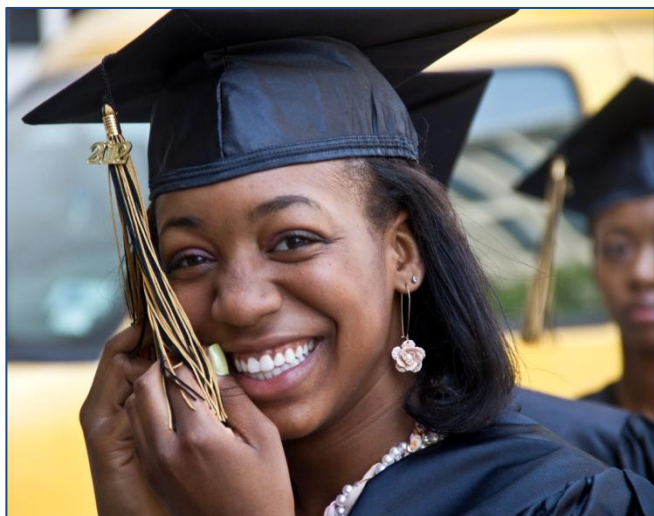

If you need to change your schedule or add or withdraw from a class, we can help you with that, too. Some of our advisors specialize in specific program areas, but all of us are knowledgeable in all of our college programs.

If you have questions about how to get started in college, stop by and see us today. You can make an appointment or wait to see an advisor on a walk-in basis.
