

IT'S TIME FOR A COLLEGE VISIT!

High School Counselors College Summit Teachers Classroom Instructors

Get an early start with your juniors and seniors by requesting a college visit from St. Louis Community College at Forest Park.

Select a specific area of interest, or a general presentation about the advantages of attending the community college. Our highly effective recruitment team will be happy to tailor our presentation to fit your needs.

We'll help your students explore their many options such as college transfer degrees, career and technical programs and even short-term certificate choices.

So call us today to schedule your college visit!
