Basketball

TUITION

\$93/credit hour, District residents
\$139/credit hour, other Missouri residents
\$189/credit hour, out-of-state residents
\$199/credit hour, international students

ABOUT THE CAMPUS

Forest Park is the city campus of St. Louis Community College, located across the highway from the world-famous St. Louis Zoo. It is Missouri's leading provider of health technology training, offering 13 medical programs ranging from Funeral Services and Diagnostic Medical Sonography, to Dental Hygiene, Nursing and Respiratory Therapy.

It is the premier trainer for the hospitality industry in St. Louis, offering programs in Baking and Pastry Arts, Culinary Arts, and Hotel and Restaurant Management, with a new certificate in Event Planning.

The campus also supports a Center of Excellence in Advanced Networking Technology, with a Regional Cisco Networking Academy, a Microsoft IT Academy and an AHIMA Approved Coding Certificate Program.

Global education is a major focus for this cosmopolitan campus. About 10 percent of the student population is comprised of non-native speakers of English who are international students, immigrants and refugees.

Forest Park has sponsored an outreach center in north St. Louis city since 1994, the William J. Harrison Education Center. A larger, \$10.5 million Harrison Center opened for classes in fall 2010 at Grand and Cass, just a few blocks north of Saint Louis University and the Fabulous Fox Theatre.

Forest Park is accredited by the Higher Learning Commission of the North Central Association of Colleges and Secondary Schools.
