

You've been thinking about ...

College!

WE HAVE THE ANSWERS

Whether you're a high school student or a working adult who needs new skills, you'll find the right classes at Forest Park.

WE'RE IN YOUR NEIGHBORHOOD

Next to Highway 40 between Hampton and Kingshighway—we're a short bus hop from two MetroLink stations at DeBaliviere and Forest Park.

YOU WILL FIT IN

Our diversity makes learning more enriching. Our students are ages 18 to 80, and about 10 per cent are non-native speakers of English who are international students, immigrants and refugees.

OUR TEACHERS REALLY TEACH

We specialize in freshmen- and sophomore-level courses taught by faculty, not graduate students or teaching assistants. Our teachers hold master's and doctorate degrees or advanced licensing degrees in technical fields.

YOU'LL NEVER FEEL LIKE A NUMBER

Our classes are small and taught at times to fit your busy schedule—including evenings and weekends. We also offer distance learning courses online or in a hybrid format, so you can take classes at your convenience.

HELP IS ONLY ONE ASK AWAY

Our teachers and support staff go the extra mile in helping you succeed, whether you need extra tutoring, advising or help with personal problems.

YOU'LL HAVE FUN, TOO

You don't have to live in a dorm to have fun on campus. We have hundreds of extracurricular activities—social, athletic and service-oriented, including plays, art shows and concerts.

WHY PAY MORE?

Unlike some colleges where you'll pay thousands of dollars for tuition, our fees are affordable—just \$93 per credit hour if you live in district.

COME SEE US TODAY

We're located at 5600 Oakland Avenue, just a block west of the St. Louis Science Center.
