

# Are you ready for *College?*

## Find your answer at Forest Park

Start your college career at Forest Park and find out what you really want to do with your life!

## You will fit in

Our diversity makes learning more exciting. Our students are ages 18 to 80 and come from 70 countries, speaking more than 40 languages.

## Our teachers really teach

We specialize in freshman- and sophomore-level courses, taught by faculty, not graduate students.

## Help is only one ask away

Our teachers and support staff go the extra mile in helping you succeed, whether you need tutoring, advising, financial aid or help with personal problems. Our classes are small, so you'll never feel like a number.

## Our door is open to you

It doesn't matter how well you performed in high school. Start over with a clean slate. Our placements tests will determine what courses are right for you. Come by and see us today!
