

Digital Arts

Technology has invaded the Arts at Forest Park. Try your hand at MIDI sequencing or ProTools in Music; nonlinear video editing or digital audio production in Mass Communications; computer art/animation in Graphic Communications; or digital imaging in Photography. Our Art is always on the edge.

Travel Studies

New skills are needed for today's changing travel industry. Find out why opportunities are growing for group consultants, meeting planners, corporate travel advisors, online support personnel and counselors for niche markets.

Allied Health

Start your medical career with one of our 15 allied health specialties, such as Nursing, Respiratory Therapy or Clinical Laboratory. Or try one of our newer programs in Pharmacy Technician, Funeral Directing or Mammography. You can't go wrong with a strong allied health education.

Advanced Networking

We offer total network training from the shop floor to the top floor, including advanced training for Cisco certification. Forest Park is a local and regional Cisco Academy.

Weekend College

Too busy for classes during the week? Earn your General Transfer associate's degree on weekends. Take accelerated, 8-week courses in 10 terms over two years. Start any term during the year. Or take one of 50 regular courses offered on weekends. The next two terms run Jan. 14-March 6 and March 11-May 15.

What **DON'T** we have?

High prices. Our tuition is only **\$72** a credit hour.

Why pay more?

644-9127

Spring classes start January 18. Call after the holidays, starting January 3.

Practical solutions for Practically Everyone

St. Louis Community College

Forest Park

In the Oakland Avenue cultural district, just west of the St. Louis Science Center.
