

ISABELLA ZERMANI

CIS 250 InDesign Assignment 3

ABOUT ME

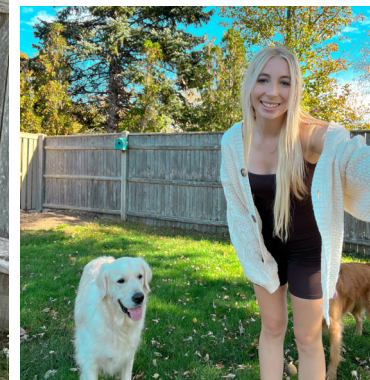

I am from Boston, Massachusetts, but attend The University of Alabama as a junior studying Public Relations. I love my two golden retrievers at home, Waylon and Dixie. When I am home, I work on my dads food truck. In the future, my goals are to live in New York and work for a big company.

SONYA

This is my best friend Sonya. We love to take pictures together, get coffee, and gossip. She is one of the best friends I could ever ask for as she is always there for me. She goes to school back at home at a small college called Endicott.

This is my family. My mom and dad are both re-married so I have a lot of bonus family. My mom Beth is married to Kevin and I have an older sister and brother, Kelsi and Brendan. Then my dad Paul is married to Gia and I have a little sister Lianna.

Waylon and Dixie are also my dog sibilings!

Waylon and Dixie are both Golden Retrievers. Waylon being a English Cream and Dixie being a field golden. Waylon is three years old and loves to relax. Dixie is two and is extremely outgoing and spunky. They both live at home in Massachusetts, where they love the backyard.
