

Like a lighthouse on a hillside, Billy Bob's Texas serves as a shining beacon to those in Fort Worth and the surrounding DFW area. Well known to many locals, Billy Bob's Texas is more often than not "the place" to be on any given day of the week. Billy Bob's proudly proclaims that it is "The World's Largest Honky Tonk" and not many would dare argue that assertion.

Billy Bob's is located in the Historic Fort Worth Stock Yards and promises to offer you an exciting evening! Whether you're flying solo, with a date, or looking for a fun-filled-family evening, you will find it here.

During that later part of each week, Billy Bob's is always booked with great concerts. Local and national talent such as Justin Moore, Chris Cagle, Dwight Yoakam, and LeAnn Rimes have graced the stage of this 127,000 square foot building and performs before an always entertaining crowd. House bands can even get an opportunity to showcase their skills, following in the footsteps of George Strait, Alan Jackson, and Travis Tritt who all began their careers on the "Honky Tonk Stage".

One thing you won't find at Billy Bob's? A mechanical bull. Contrary to popular belief, there has never been one on site in their 32 year history. No worries – they offer something far better every Friday and Saturday night: Billy Bob's Texas is the first and largest night club in the United States with live bull riding. More than 45,000 bulls have bucked in Billy Bob's arena and World Champions that include Tuff Hedeman, Ty Murray, and Adriano Moraes have all tested their rodeo skills in Billy Bob's arena. Entries for their new bull riding series can be submitted by calling 254-582-7063. Finals will take place March 29<sup>th</sup> and 30<sup>th</sup>. The top 30 riders in both the Championship and Iron Man series get the chance compete to win a custom Montana Silversmith Billy Bob's Texas buckle.

If bull riding and concerts aren't your thing, Billy Bob's Texas offers dance lessons so you can learn how to boot-scoot all across the dance floor. There are lessons for line dancing as well as couples. Wendell Nelson has been the Dance Instructor for Billy Bob's Texas for over 20 years and has been teaching night club dancing for over 30 years.

After all the fun, you're sure to work up an appetite and Billy Bob's Texas has just what you'll need. Seven days a week you'll find authentic Texas Smoked BBQ beef brisket, ribs, ham, chicken, turkey and sausage with all the trimming. There is also a great selection of prime steaks, burgers, and catfish. Looking for something lighter? They have a menu full of amazing salads and heart-healthy selections too. The open design of the restaurant makes it easy for you to enjoy live entertainment while you eat.

Besides great entertainment and atmosphere, other attractions include a Celebrity Handprint Wall of Fame, the Photo Bull for souvenir pictures, pool tables, arcade games for the whole family to enjoy, and even a gift shop that also has souvenirs for all ages.
