

# Branded Thank Yous

## For Patrons

- We bring the “thanks” and you bring the “you.”
- Our hearts are still smiling. Thank you.
- You can’t see us but we're totally doing a happy dance.
- Two words: Endless gratitude.
- You’re kind of a big deal. Don’t believe me? Ask our staff.
- Amazed. Inspired. Grateful. That’s how your generosity makes us feel.
- a) A peach b) the bee’s knees c) the cat’s pajamas. You’re d) All of the above. We can't thank you enough.
- Even with amnesia, we’d remember to thank you.
- Do you practice being so wonderful? Thank you kindly for your words.
- We can’t spell "thank you" without YOU!
- Thank you, simply because we don’t know what else to say.
- Gracias, merci, danke, grazie—all different languages only one translation: thank you.
- If we had a million letters to tell you how we felt, we would only need eight of them to spell “thank you”!
- Thank you doesn't cut it, but luckily we're librarians and not hair dressers.
- If it wasn’t weird, we would send you a picture. Because we look totally grateful.
- All we can say is wow! (Except, of course, we’re grateful.)
- You have really great taste in libraries, but then, we're a little biased.
- If we freeze, it's not a computer virus. We were just stunned by your kindness. Thank you.
- We’re jealous of the other websites you visit, because we enjoy seeing you so much!
- A special "Thank You" to you from grateful, little us.
- We couldn't let your kindness sneak by without saying, "Thank you!"
- Thank you for taking the time to think of us.
- We are all gratitude.
- You’ll find our picture in the dictionary next to “grateful.” Thank you so much.
