

Exciting homes full of life, Exciting lives full of homes.

Welcome to second home ownership, reinvented.

VIVLA's fractional home ownership gives you the smart option to buy only what you need to use. You also share costs and can benefit from the potential reevaluation of the property. Owners enjoy spectacular homes in top European destinations for a fraction of the cost. These are our benefits:

● Buy what you need

Owners can buy shares of a property and enjoy 6 weeks of use per year. You can buy up to four shares. 24 weeks.

● Personalized experience

We find your perfect spot to suit your needs. We also provide concierge services to make sure you feel cozy in your personal retreat.

● Hassle-free purchase

VIVLA takes care of the whole buying process for you. We also help you exchange or resell your fractions

● Zero maintenance

We fully manage your home, from maintenance to any financial or legal aspect of it, so it is always ready to enjoy.

● The VIVLA Quality Seal

All our homes are meticulously selected and quality assessed following VIVLA's unique certification process.

● Resell anytime

Sell your shares anytime, on your terms. We can support you.*

This is how the process works:

1. Let us find your dream home in our curated list of VIVLA properties.
2. Decide how many shares you want to buy.
3. Arrange a remote or physical viewing of your VIVLA home.
4. Reserve your home.
5. Our legal team will arrange all paperwork.
6. We manage your home and you just enjoy it!
