Neo Jing Yang

Student in Republic Polytechnic

Work Experience

Graphic Design Intern

- Designed product listing images and promotional banners for Shopee, Lazada, and TikTok Shop.
- Produced product infographics highlighting key features, specifications, and selling points to improve online product presentation.
- Edited and retouched product photographs, including background removal, colour correction, and image enhancement for e-commerce use.
- Collaborated with supervisors to revise designs based on feedback and business requirements.
- Ensured all visual assets met marketplace guidelines and maintained a professional, customer-friendly appearance.

Achievements

3rd Place – Stick With Sam Design Competition

SAM Design Competition Singapore Biennale 2025

- Designed an original sticker artwork inspired by contemporary art and local culture.
- Awarded Third Place among student Submissions.

Education

Diploma in Media Production and Design

Republic Polytechnic

Higher Nitec in Communication Design

ITE College Central

- Learnt the fundamentals of Adobe Illustrator, After Effects and Photoshop
- Chose to retake my O-Level Math to qualify for a polytechnic course that aligns closely with my career goals

Highlighted Projects

- Developed a complete brand identity including logo, colour palette, typography, and packaging.
- Designed takeaway packaging, social media content, and promotional materials.

- Created an original sticker design for the Stick With Sam art competition.
- Awarded 3rd Place for creativity, visual communication, and execution.
