<h3>You Deserve the Best</h3>

<p>You might second-guess other dealerships, but not ours. Timbrook Nissan is a dealership you can trust. We pride ourselves on prioritizing the customer first, offering more than great customer service. Our services and products are high-quality offerings that would be useful for anyone coming into our dealership to shop. View our vehicle inventories or bring your car in for maintenance and repair services to preserve your car's life. We also have other departments such as our finance department that serve a great purpose for customers who want to purchase any model from us.</p>

<h3>You Can Drive a New Ride</h3>

<p>Every Nissan model we have within our new inventory is comfortable, spacious, and powerful under the hood. We have new Nissan models that range in different body types such as sedans, SUVs, trucks, and more. Each vehicle has different features that passengers can use to make their trips to places like Johnstown, MD more of a thrilling experience. Find models like the Nissan Rogue or Nissan Altima that will give you various features but outstanding results when using them. Stay safe with driver-assistive technology, or entertain yourself with integrated audio systems while riding comfortably.</p>

<h3>Try our Pre-Owned Models</h3>

<p>If you can't, or don't want to, purchase a brand-new vehicle, Timbrook Nissan also has a vast pre-owned inventory that includes vehicles even outside of Nissan. Our pre-owned models are not only affordable but very reliable. They come with low miles and awesome exterior/interior quality so drivers can get more out of the vehicle. We have pre-owned models from car brands such as Jeep, Kia, Subaru, Volvo, and Chevrolet that vary in body style too. Whether it's a sedan, SUV, truck, or something else, our pre-owned inventory is the way to go if customers are looking to drive something great at a discounted rate.</p>

<h3>You Can Also Go Certified</h3>

<p>Timbrook Nissan also has a certified pre-owned inventory available within the bargain lot. Our certified pre-owned models are taken through an intense inspection to ensure drivers are getting a vehicle that is as close to a brand-new vehicle as they can get. They come with low mileage and provide outstanding features any driver would want from a modern vehicle.</p>

<h3>Service Your Vehicle</h3>

<p>Regardless if you purchase a vehicle from us or continue to drive your current vehicle, you can always bring your car to our service center near Bedford, PA. Our

service technicians are always looking forward to helping drivers like yourself with repairing vehicles to get them back to optimum performance levels. Every repair our technicians perform on your vehicle will run in accordance with your car's brand to ensure everything is accurate. We provide maintenance services such as oil and filter changes, battery repair, fluid top-offs, and more. We also conduct replacement services for any part within your car that needs it. You can leave your car with us, or stay in our waiting room until we call you. After your car's service, our service technicians will give you recommendations on future repairs and schedule your next service visit.</p>

<h3>Get a Genuine Part</h3>

<p>Avoid purchasing aftermarket parts and order your car parts from Timbrook Nissan parts center. Our parts crew can order any part your car needs and have it sent to our dealership or your home. Once we get it, we can install it for you and still give you recommendations you might need to keep your car running well.</p>

<h3>Check Your Finances</h3>

<p>Did you finally find the car you want from our dealership? Head over to our finance department and speak to any of our finance team members about finance options. They can find what you qualify for and set up different finance options such as monthly installments and leasing agreements to bring you closer to owning the vehicle you like.</p>
