<h3>What Does the 2022 Jeep Grand Cherokee 4xe Have to Offer?</h3>

<p>If you thought the Jeep Grand Cherokee was already an amazing SUV, the 2022 Jeep Grand Cherokee 4xe takes amazing to another level. Its exterior look resembles the original Jeep Grand Cherokee. However, the performance is on another spectrum.</p>

<p>The 2022 Jeep Grand Cherokee 4xe has a 2.0-liter turbocharged engine with an electric motor combined. It exerts up to 375 horsepower and 470 pound-feet of torque, giving up to 57 miles per gallon equivalent.</p>

<p>Aside from its hybrid mode, it also has an electric eSave mode that will help save more energy for additional battery power. Charging is easy. Utilize the Level I charging cable from home or stop at a charging station for refueling. In about two hours, the Jeep Grand Cherokee 4xe will have a full charge so you can make your drive to Davison without any mishaps.</p>

<p>This model also pushes the technological boundaries of other Jeep variances you might've encountered before. It has a passenger and rear-seat entertainment system so the driver can keep their eyes on the road while the front passenger has maximum control. The rear-seat entertainment system has integrated Amazon Fire TV, Alexa Voice Remote, and other applications. Apple CarPlay and Android Auto are also included within the Uconnect system with a 10.1-inch touchscreen display with a premium navigation system.</p>

<p>Finally, a new active driving assist system is integrated within the 2022 Jeep Grand Cherokee 4xe to uphold enhanced safety standards for every trip. It will help you stay in check with sensors and radars scanning for road adjustments and is accompanied by other safety features such as intersection collision assist, night vision, drowsy driver detection, and more.</p>
