Beach Ford Opens High-Capacity Commercial Service Center to Support Hampton Roads' Hardest-Working Fleets

Virginia Beach, VA | July 10, 2025

Beach Ford has opened its new Beach Ford Pro Elite Commercial Service facility, one of the region's most advanced service centers dedicated to supporting commercial vehicle fleets. Spanning more than 55,000 square feet, the facility is built to deliver comprehensive maintenance and repair services for commercial fleets of all sizes, including city-operated vehicles such as ambulances and police cars, as well as larger units like RVs.

Beach Ford's Pro Elite Commercial Service facility is equipped with specialized lifts and equipment to service a wide variety of vehicles, from medium-duty trucks and heavy-duty rigs to limousines, RVs, and municipal vehicles. Beach Ford's commercial fleet technicians provide expert maintenance and repair services to help keep the vehicles driven by local businesses and first responders safe, reliable, and operational.

Key features of the Beach Ford Pro Elite Commercial Service facility include:

- In-house and offsite DOT inspections
- Specialized commercial fleet technicians
- A mobile service team
- Walk-in service
- Extended service hours
- Ability to lift up to 72,000 lbs. and 30 ft. in length
- Parts department dedicated to a commercial shop

Beach Ford has been providing vehicle service in the Hampton Roads community for over 47 years. The new Beach Ford Pro Elite Commercial Service facility expands Beach Ford's capacity and capability to service commercial and municipal vehicles, strengthening its support for local and regional operations.
