EXT. ALCATRAZ PRISON DAY

The sound of the seagulls squawking and the sound of the waves hitting against the rocks of Alcatraz.

TITLE OVER:

December 31st, 1930, San Francisco.

The scene then cuts to 4 inmates Sal, Billy, Al and Michael. Gathered around in the mess hall having their meal.

SAL:
Ain't that swell?

The 3 Inmates Looking at Sal with a confused looks on their face.

AL:
What you mean by that?

As Sal gulped down a glass of water , gives an intriguing look to Al.

SAL:
Well looks like we're gonna be here
till the day we get executed.

AL:
I mean we're mobsters we did all
sorts of crimes back in the days. But
what happens if I were to say that we
ain't have to get executed?

The scene then cuts to the 3 inmates with a puzzled look on their faces.

SAL:
What do you mean by that?

AL:
I've been receiving help from this
inmate who is also residing in the
same cell block as us.

SAL:
What's the inmates name?

AL:
Didn't really quite get his name, but he says that there's an airplane located on the roof of this very prison but to gain access to the roof we need the master key. He also added that the master key is tagged to one of the prison guards who does the checks in the cell block that we're in.

BILLY:
Wait did you just say that there's an goddamn airplane in this shithole prison? or did a bug flew just into my ear?

AL:
Yes there's a airplane located on the roof of this prison billy.

BILLY:
terrific! I'm in lets all get fuck out of this shithole.

The scene then cuts to Sal asking Al a question.

SAL:
When are we flying out?

AL:
Tonight boss.

MICHAEL:
I'm in too let's the fuck out of here.

As the inmates are done with their meals in mess hall Al had this unusual feeling about something wasn't right.

AL:
The inmate that was giving me help,i didn't see him for a couple days it's like he was there but now he's gone.

The scene then cuts to the other 3 inmates which leaves them wondering about Al's mysteriously disappeared inmate.

INT. JAIL CELLS OF ALCATRAZ PRISON NIGHT

The prison guard, is making his rounds. To check on the inmates cells.

Cuts to DeLuca's jail cell, while making a cup of coffee, he walks up to the prison guard and begins a discussion.

SAL:
How we doing tonight, guard?

PRISON GUARD:
Just another day in this prison
Mr. Sal, just another day... dealing
with small time punks like you it's
just puts a smile on my face.

DeLuca takes a sip from his cup and let's out a small laugh.

SAL:
Ain't that swell... small time punks?
Hmmm, you do know very well to whom
you're talking to right?

PRISON GUARD:
Yeah, talking to a soon to be dead
man.

Cuts to the prison guard walking past Michael cell, while Michael is on the toilet reading a newspaper.

PRISON GUARD: (cont'd)
What's the news saying mike?

MICHAEL:
Same old nothing new.

Cut to prison guard walking past Billy Handsome's cell. Billy then emerges from the darkness of his cell, lighting a cigarette. A loud monster-like noise came out from the infirmary.

BILLY:
What the hell was that noise?

The scene then cuts to the guard as he goes up to check the noise.

AL:
This ain't right. Something' weird is
going on in here..

SAL:

Yeah no shit Sherlock, just keep your mouth shut for awhile, sorry pal but you're giving me the heebie-jeebies.

MICHAEL:

Where are those screams coming from?

the scene then cuts back to the prison guard makes his way to the infirmary the guard was grabbed by the uniform by a zombie inmate and started eating his flesh the prison guard let out a scream.

BILLY:

What the fuck was that?

Cuts to a shot looking towards the four from a distance as a zombie moan is heard. The prison guard corpse steps partially into view.

AL:

Fucking told you there's something weird is going on in here!

The camera zooms in onto guards corpse, he begins screaming as hordes of zombies begin to emerge from the infirmary.

AL: (cont'd)

Oh shit

BILLY:

What the fuck.

The scene then cuts to a hordes of zombie running towards the cell block pouncing on the prison guards eating and tearing their flesh apart one of the prison guards knew he could not hold the dead, what he did was unlock the prison cell door locking device to let go of the other inmates and 4 mobsters to escape.the 4 of them began to attack the zombies

BILLY:

Al! Where's the key!?

The scene cuts to the zombie guard grabbing Al and he grabs his head and stabs the zombie through the mouth after killing the zombie guard, he spots the master key tagged on the dead zombie prison guard, he quickly grabs it from the dead prison guard and puts the key in his pocket.

AL:
I've got the fucking key!! let's go
come on we can fight all of this
walking corpse.

The scene cuts to the 4 of them running away from the horde of zombies. While running an random zombie inmate gets hold of Al.

AL: (cont'd)
Get this thing of me!!!

As the three of them pulls Al from the zombie that caught Al, the camera zooms into to the inmates uniform tag number Al then realizes that the number was a very familiar one. To his surprise it was the inmate that helped him out with the escape plan. But leaving Al with no choice but to kill the zombie inmate.
