[Visual and Audio]

<p>Healthcare can feel chaotic: Siloed providers. Scattered care. Mixed messages.</p>	<ul style="list-style-type: none">• Chaotic beeping, talking, and other healthcare-environment sounds• Images of medical providers that are far apart• Overlapping medical charts and papers• Busy/chaotic vibe
<p>As an ACO Administrator, you'll bring that chaos into order. By connecting care teams, strengthening communication, and reducing unnecessary costs, you'll ensure healthcare works <i>for</i> patients, not against them.</p>	<ul style="list-style-type: none">• Lines light up between providers• Siloed providers become an interconnected web• Chaotic images of charts and paperwork move off screen• Background noise lowers and fades out completely
<p>Choose a path with purpose and step into a career with strong earning potential and room to grow.</p>	<ul style="list-style-type: none">• Images show patients and providers working together, smiling• Positive, upbeat music
