What should you Know & Do

1. What should I do right after a DUI arrest?

Stay calm. Ask to speak to a lawyer before answering any police questions. Contact **Johnson & Sons** immediately for expert **California DUI legal help**.

2. Can I lose my driver's license after a DUI?

Yes, but quick legal action can help you keep it. Our team can request a DMV hearing and start building your defense right away.

3. How can Johnson & Sons help me?

We examine every part of your case—from arrest procedures to breathalyzer accuracy—to find errors and create a powerful defense. Our goal is to reduce or dismiss your charges entirely.

4. Are your services affordable?

Yes. We offer flexible payment plans and transparent fees so you can focus on your defense, not your finances.
