- We guarantee **professional, discreet service with long-lasting results.**
- We offer pests control training to avoid recurrence after fumigation.

When you choose Dumu X, you are choosing expertise, safety, and peace of mind.

What Our Clients Say

“Being an hotelier, with Dumu X, am never worried about a cockroach showing up in a customer’s plate.” – Jane M., Nairobi

“Their fumigation services were top-notch. No more cockroaches in my office, and the team was very discreet.” – Samuel K., Westlands

“I love that Dumu X uses eco-friendly pest removal. I don’t worry about my kids or pets.”
– Achieng O., Karen

Act Now Before It Gets Worse

We have noted that most victims of pests will contact us after failed DIY tricks and shortcuts, leaving pests stronger and harder to eliminate. Every day you wait, termites, bedbugs, and cockroaches spread and cause more damage.

Do not take chances. Trust **Dumu X – the leading pest control Nairobi experts.**

Call us today for professional termite treatment, fumigation services, and eco-friendly pest removal. Let Dumu X protect your home, office, or business before pests destroy what you have worked so hard to build.
