TECHNICAL 8/10

- Very good on the ball with both feet.
- Has good ball control and a good 1st touch keeping the ball close to him at all times.
- Both long and short passing was good however he was sloppy with some balls.
- Kept the tempo of game at a good pace with his passing being crisp and precise.
- Had 1 long shot that was off target by some distance.
- Was good and strong in putting well timed tackles in.
- Played advanced forward passes into team mates.
- **Got out of tight spaces well.**

(Good flair and give and go attempt)

TACTICAL 9/10

- **Box-box player who showed good intensity throughout.**
- **Standout area** showing outstanding qualities throughout the game, with him closing down areas/spaces to block passing lanes, make interceptions and blocks, showing **good reading of the game and positioning.**
- Tracks back well all game following marker closely, keeping tight to him and helping team.
- Off the ball movement was good as would move in open area/ space to receive passes to try and start attacks.
- Presses well and effectively closing down and moving out of position to help team.
- Helps team defend set plays.
- Decision making was good as he knew when to release the ball, and stuck to his position well, assessing the situation before committing to go forward/stay back.
- **Has good intelligence, scanning/looking over his shoulder for danger, sometimes before receiving the ball so he knew what action to take next in terms of making passes/ if he had time to look for other options or drive with ball etc.**

MENTAL 9/10

- Has good concentration levels and is aggressive when going into tackles also showing good bravery.
- Has good vision in seeing and attempting long balls/through balls even if some did not reach team mate.
- Is vocal as was encouraging team and showing where passes should be played and showing for the ball with hand signals.
- Is composed under pressure and getting out of areas.
- Showed great work rate especially **late on and the game was won** as he tracked back and won his side a goal kick.
- Is a good team player.
- Showed good discipline all game, as well as good mature levels which is good as he is a young player.

PHYSICAL 9/10

- A small but an aggressive player who completes well in the tackle, has good stamina and fitness levels.
- Is powerful and strong when driving with the ball holding off players.
- Has good speed and agility as when on the half turn he can change body position in good time and gets away from marker/ moves into open space.
- Shows good stamina levels throughout the game as his role and position is demanding.
- Good balance overall although he did **lose his balance** on one occasion slipping over.
- Is quick in making recovery runs/getting up and down the pitch and getting back in position in good time.

CONCLUSION COMMENTS

Very impressive performance with him being very good tactically and showing signs of a potential captain as he has outstanding mental qualities.

I believe with continued game time in the league and getting European experience at a young age he will only improve and continue to develop, I think he has a very high ceiling and has great potential.

Has high resale value as he is only young.

WOULD WATCH AGAIN.

PERFORMANCE GRADE: 9/10

SUITABILITY: CM in a team who has a lot of possession or plays fast and forward thinking as he is one step ahead at times.

CURRENT LEVEL: Austria/ Belgium league.

LEAGUE POTENTIAL: Top 5 league or very high in Europe.
