Technical

- Ball control is good with him keeping close control and not overrunning the ball.
- Is good on the ball with both feet.
- Ball retention is good, with passes being played accurately to feet.
- He is competitive when engaging in physical contact battles, despite his small stature and size.
- Makes interceptions, standing and sliding tackles cleanly.
- Played passes through the lines looking to unlock the defence.
- Drops deep to receive the ball from defenders and the GK.
- Scans before receiving the ball, which shows he is aware of his surroundings.

Tactical

- Makes runs off the ball into wide areas and into the box to contribute to attacks, with him also taking positions in and around the box.
- Tracks players well, following them closely and is involved in defensive duties by clearing balls that come into the box.

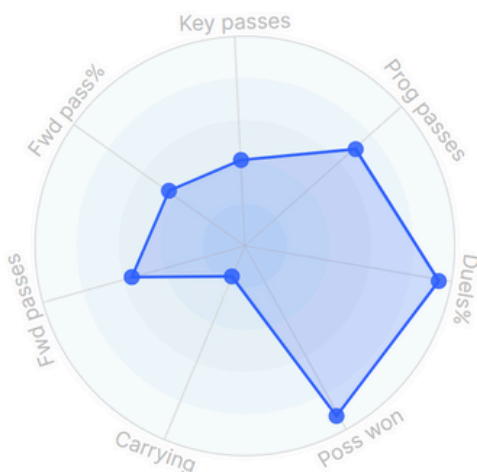

Physical

- Has a good engine and stamina levels to cover ground well and is energetic.
- He is not fast but tracks runners well and gets into defensive positions in good time.

Mental

- A lapse in concentration led to him miscontrolling the ball and losing his balance.
- Was always on the move, showing for passes, closing space/players down.
- Is vocal in talking to his teammates..
- Is aggressive and brave when making challenges.
- Is a team player.
- Wears his heart on his sleeve and can get annoyed and display anger towards the referee. (Would need to work on this and mature to succeed at a high level.)
