

# Ibrahim Karamoko

Standard Liege vs

Anderlecht

## Player Details

Team : Standard Liege

Position: Centre Midfielder

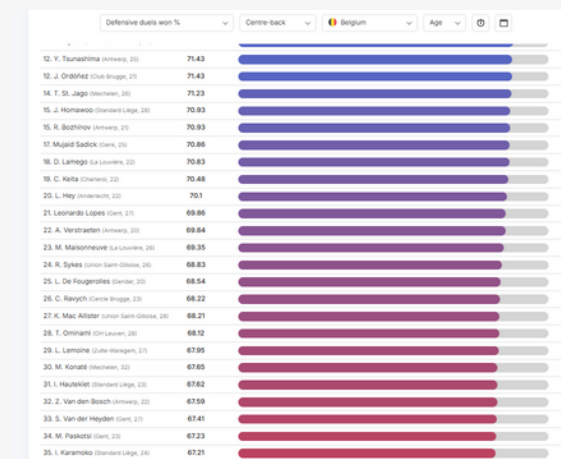

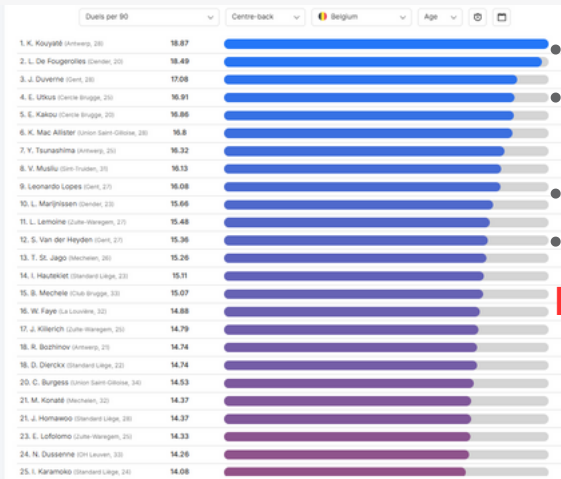

Height : 6'2

Date Of Birth (Age) : 23/07/2001 (24)

Strong Foot : Right

Nationality : French

Contract End Date 30/06/2030

## Technical

- Comfortable using both feet
- Has a good 1<sup>st</sup> touch, playing passes with confidence
- Is a genuine goal threat due to his runs into the box and size from set plays
- Breaks up play well by intercepting passes and cutting passing lanes

## Tactical

- His natural position is at CB
- Is a box to box player who is good in both boxes
- Passing is nice and crisp with little risk being taken, passing sideways and back, maintaining good ball retention
- Tracks back and picks up good positions in own box in anticipation of oncoming crosses
- Makes 3<sup>rd</sup> man runs into the box adding an attacking threat (Got his goal from a run to the back post)
- Moves out of position to press players
- Is versatile as was played out of position

## Physical

- Is aggressive when going into 50/50 duels both on the floor and in the air ( would lean in with elbows when going for the ball in the air)
- Has a good jump and is competitive in the air
- Covers ground well showing he has good stamina, a good engine and endurance
- Presses space well, with intensity and speed
- Is athletic and quick in his off the ball movement

## Mental

- Gets involved with off the ball incidents showing signs of frustration and discipline issues
- Is passionate and wears his heart on his sleeve
- Workrate is good as he showed good signs of commitment

## Weaknesses

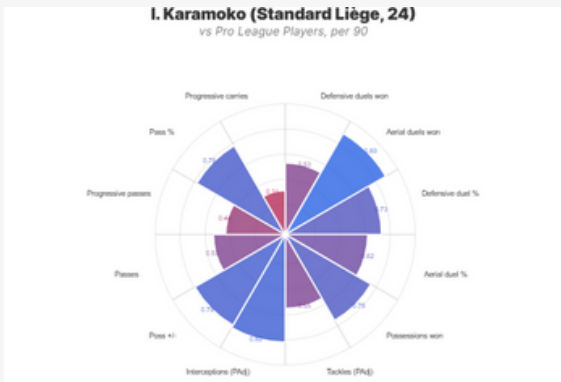

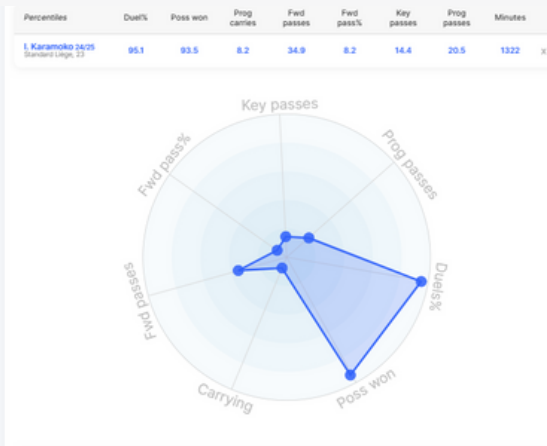

Over aggressive  
Lacks discipline

## Strengths

Hardworking  
Versatile  
Is a goal threat  
Passing was good

# Ibrahim Karamoko

Note: Stats are from last season and position data is taken from his natural position of centre back

## Current Ability and Potential

- ★ Not good enough for professional football
- ★ ★ Does not fit a European league
- ★ ★ ★ Playing at his current level
- ★ ★ ★ ★ Playing for a team in a european competition

## Current Ability

## Potential

## Similar player

Declan Rice

Similar in that he can play at both CB and in a CM/CDM role, Breaks up play well and uses his size to dominate in battles for the ball.

## Conclusion

A very good game from a player who was being played out of position. He has the qualities to play in multiple positions with his abilities in both boxes being a key asset of his. He will need to mature and learn to control his emotions if he is to play at a higher level.
