Bill Filed for Family Caregiver Tax Credit

Dear John,

Of the more than 844,000 family caregivers in Massachusetts, very few are reimbursed for the care they provide. In fact, the estimated value of this care exceeds \$11 billion per year, based on data from 2013.

To help family caregivers in the state, AARP Massachusetts has filed legislation that will provide a tax credit for certain expenses incurred by family caregivers.

The legislation is co-sponsored by Sen. Linda Dorcea Forry (D-Dorchester) and Rep. Chris Walsh (D-Framingham).
