Dear John,

In light of the Equifax data breach, AARP took part in a press conference at the Massachusetts State House on **September 25, 2017**, to discuss the importance of the [Credit Report Security Freeze legislation](#) currently before the MA Legislature. This bill would remove all fees to freeze and unfreeze a credit report.

With AARP was bill sponsor State Sen. Barbara L'Italien, AG Maura Healey, AARP MA Advocacy Director Jessica Costantino, and MASSPIRG Legislative Director Deirdre Cummings.
