

Miller Ang

DIPLOMA IN SONIC ARTS

PROFILE

I am a creative second-year Polytechnic student who is experienced in both digital and sonic arts, eager to apply skills in sound design, basic illustration and videography to help in developing creative media for others to enjoy. Able to contribute research, creative thinking and teamwork to this company and other valuable skillsets developed along the way.

WORK EXPERIENCE

Floor Service • Toby's Estate

Nov 2023 - Feb 2024

- Enhanced independence and took initiative in earning skills (such as operating the cash register, sorting system etc.) early and practicing before being officially taught by senior staff.
