

## **A Slice of Paradise on Hillside**

Hillside might not be on your to-go location when visiting New York but this gemstone sure will tempt you.

Benny's Pizza could be another pizza spot for some people, but it sure is THE pizza spot for locals on Hillside. From their signature pizzas, *The Grandma* and *The Margarita*, to even simpler but savory dishes, Benny's Pizza keeps busy and moving.

Although it may not be a tourist spot, being far away from the city, it's the community that keeps Benny's Pizza going. The Caesar Salada Pizza will surely make you want to carve another slice. The tenderness of the chicken, and the freshness of the lettuce combined with the crunchiness of the crust is a melt-in-your-mouth sensation.

And while they serve great slices of different pizzas and Italian dishes, unfortunately their burgers didn't hit the spot.

Benny's Pizza on Hillside is their only establishment, and it has been open for almost 20 years. So if you want a taste of Benny's Pizza, it is located on 175-63 Hillside Ave, Jamaica, NY 11432
