

layered

## get layers you'll love

---

★★★★★

"I love this addition to the line (Desi – Pierced Round Cut Necklace). It's a great length, it fits perfectly around my neck. It's not tight but not too loose either. It hangs just perfectly for layering with other sized necklaces. It has plenty of sparkle and nice chain strength." – DeannaH

Modern, luxurious and affordable, celebrate your unique and beautiful layers with the new, semiprecious jewelry line, Layered. Layered lets you mix and match necklaces, bracelets, earrings and rings so you can create stunning looks that show off all your layers.
