

# BRUINS CENTENNIAL BOX SET

I wrote and edited all copy for this 600-plus card set celebrating the Bruins' 100<sup>th</sup> NHL season. To complete the set, I had to research all the key subjects and moments in the franchise's history to write compelling copy. In addition to the bios, I calculated all the stats for each subject's Bruins' career.

## MEMORABLE MOMENTS

Arguably the loudest ovation at the end of the final game at the Boston Garden came when Norm Leveille came out for one final skate on the ice 13 years after a career-ending injury.
