Disney College Program is Coming to The University of Alabama

TUSCALOOSA, Ala. – Students at The University of Alabama have the chance to learn more about the [Disney College Program](#) at a workshop on Tuesday, Sept. 30 from 10 to 11 a.m. in The Hub at Reese Phifer Hall.

The event, Ask Disney College Programs, has been designed to give students tips, answer questions and help people apply for this nationally recognized internship. This event is part of UA's workshop and seminar series. The session will spotlight opportunities for student to gain on-the-job experience with one of the most famous entertainment companies in the world.

Participants will learn about the program's unique living and working environment, which brings together college-age students from across the country and the world. Registration is now available through [Handshake](#).

"I went to the meeting last year, and by the next semester I was in the program," said Audrey Heim, a junior majoring in marketing. "I just got back, and I loved every minute of it, so I'm excited for other students to get more information too!"

Organizers said students will leave the workshop with knowledge about the application process, what to expect if selected and how this experience can help them in their future careers.

Students attending this workshop will also have the opportunity to ask detailed questions about housing, schedules, and day-to-day responsibilities and get a clear picture of what life in the program looks like.

The Disney College Program is known for combining classroom learning with hands-on training, with the chance to work in various roles across Disney parks and resorts. Giving students the opportunity to build skills like leadership, communication and teamwork while also making valuable connections in the industry. This program is described as a "once-in-a-lifetime" opportunity that can set others apart in competitive job markets.

This meeting is free to attend, and the UA Career Center staff are encouraging students of all majors to participate.
