Experience(Part-Time)

Music Connoisseur | Sept 2025-

Music Sales Assistant

- Maintained. Repair and Serviced Guitar, and Bass Instruments
- Liaise with customers with the best instruments and/or gear for their needs
- Perform in-house instrument set-ups (e.g. Drum kits, Pianos etc.)
- Assist in Stockhandling and housekeeping

Experience(Part-Time)

Ressurack | Aug 2025 - Sept 2025

Events Crew

- Assisted Vendors, and liaised with individual shopkeepers on how to handle their equipment, and the market layout
- Mainly stationed at the sound booth, I set-up the audio station for open mic and live performers , assisted performers with their sound and helped trouble shoot any audio mishaps. Have also helped adjusted and did live audio engineering on-the-go to aid the performers.
- Help teardown market booths, audio equipment, and lighting systems

Birds Of Paradise Gelato Boutique | Oct 2024 - Jun 2025

FnB Part-Time Service Crew

- Ensure cleanliness in the shop house and in the dining area to maintain hygiene excellency.
- Work with team members to deliver a memorable experience for the customers
- Ensure customers are given high-quality scoops with high-quality services

Cotton On | Nov 2023- May 2024

Sales Associate

- Assisted customers with queries, item retrievals, and reservations across stores.
- Supported supervisors in setting up fixtures for visual merchandising and store arrangements.
- Promoted charity initiatives to raise customer awareness.
- Operated as a cashier, processing transactions, exchanges, and reservations.
- Restocked clothing and promoted new items and deals to customers

Experience(Freelance/Events)

Session Work for Music Parlour (13 Nov)

- Sessioned in as a guitarist with a band for a recording for Music Parlour.
- Performed for the marketing purposes for Music Parlour. I also assisted in helping setting up Logic Pro , patch bay, connecting few condenser mics to aid recording.

D&B Soundscape Workshop (7 Nov)

- Learnt About D&B Soundscape process, Learnt what software they used
- Learnt how to use Reaper in a sound design setting , and how to use it effectively
- Immersed in the 1 day workshop by trying out using the DAW and QL1 Mixer to play around with the D&B Software (d&b soundscape) fully understanding 3D stereo imaging

Children's Day AMK Event (4 Oct)

- Volunteered in the event as an A1; Manning the audio mixer , managing levels, ensuring there is no feedback with the 4 assigned wireless mics
- Tended to the Emcee's strengths and adjusted accordingly using EQ , to manage the different female and male frequencies to ensure a great sounding experience

Experience(Skills)

Hard Skills

- Growing Knowledge on several software DAWs (Reaper, Pro Tools, Ableton)
- General Knowledge on audio related topics
