PROFESSIONAL SUMMARY

Hello ! I am an aspiring sound engineer with a strong passion and curiosity for music and sound production. I am familiar with basic recording techniques, digital audio workstations (DAWs), and audio editing tools. In the past years, i have gained various job experience especially in sales which allow me to discover that i am a fast learner and am eager to learn more and gain more experience , always wanting to deliver my best works.

SKILLS

- Customer service
- Strong work ethic
- Continuous improvement mindset
- Design thinking
- Audio-to-video synchronization
- Audio mixing and mastering
- Verbal and written communication
- Team collaboration
- Confidence
- Cross-functional teamwork
- Multi-camera editing

EXPERIENCE

August 2021 - Current

Service Crew Member, *The Acai Collective*

- Operated the store alone, ensuring a tidy environment and consistent operational flow.
- Addressed customer concerns and store-related issues calmly, demonstrating independence and adaptability.
- Strengthened communication skills through daily interaction with diverse customers and improved my ability to resolve challenges efficiently.

March 2026 - July 2026

Associate Product Specialist, *Blackmagic Design*

- Edited event videos using DaVinci Resolve, including colour correction, audio editing and motion graphics.
- Assisted with filming and video production for company events and marketing content.
- Supported live webinar productions by operating the ATEM Switcher and managing live camera transitions.

Dante Level 1

August 2025

Learning Kontakt 5

April 2026

The Beginner's Guide to DaVinci

Resolve 20

- Performed testing and basic troubleshooting of professional broadcast equipment in the RMA department.
- Assisted with inventory management, product packing and shipment preparation.
- Supported setup and operations for industry exhibitions, including Broadcast Asia and customer product demonstrations.
- Learnt to fabricate and test Ethernet cables for broadcast and networking setups.
- Collaborated with different departments to support daily operations, technical tasks and event preparations.

October 2025 - October 2025

Event Usher (G-Dragon Exhibition), *Recruit Express*

- Managed large crowds efficiently and responded quickly to visitors' queries.
- Developed strong communication skills to guide, organise, and control crowd flow.

April 2021 - August 2022

Barista, *Flash Coffee*

- Operated multiple POS systems and coffee equipment, including creating a range of latte art designs.
- Built strong customer engagement skills by interacting with diverse customers and providing friendly service.
- Resolved customer issues efficiently, sharpening my critical thinking and problem-solving abilities in a fast-paced F&B environment.

October 2021 - December 2021

Safe Entry Personnel, *Recruit Express*

- Managed large, busy crowds and responded quickly to visitors' queries.
- Engaged with customers professionally, including handling displeased individuals and resolving concerns calmly.
