GOH WAN QI KYM

ABOUT ME

Kym aspires to build a career in the creative industry as a UX/UI designer and graphic designer. She strives to succeed academically and is working toward graduating with a diploma in User Experience. With skilled experience in design tools and a portfolio of creative work produced during her free time, she continues to sharpen her craft. She is also a hardworking and detail-oriented individual that will serve her well in the future and make her a valuable contributor to the company.
