# KEY COURSEWORK

- Directed & Produced an NHB-commissioned short documentary on Singapore's circus arts community, managing full production workflows, risk assessments, and permits.
- Executed multi-location single-cam shoots and audio recording using professional equipment, including Sony FX6 cameras and Aputure/Godox lighting.
- Led Post-Production in Premiere Pro, Audition, and After Effects, performing advanced audio leveling and color masking for underexposed footage.

Advanced Single Cam  
Documentary Production: "The Unlikely Stage"  
Role: Scriptwriter

SIEW  
LI EN

Media Production and Design student with hands-on experience in video editing, broadcast workflows, and fast-paced newsroom operations. Proficient in video production, writing, and creative arts, supported by strong communication skills and bilingual fluency in English and Chinese. Seeking to further advance my passion for media and storytelling at university.
