Centre Back • 18 yrs • Atalanta • Serie A • 2025/2026

Nigeria • Left foot • 184cm • Contract: June 2028

Games Played	16	<p>Honest Ahanor is a young, left-sided centre-back who stands out for his athleticism and comfort defending large spaces: he can step out to engage, cover the channels when he gets pulled out into wide areas, and recover in transition with pace that a lot of CBs don't have. He defends proactively, looking to win the ball early and he has the mobility to fit a higher back line where the CBs are asked to handle runs in behind. On the ball, he's reasonably composed moving possession on with short-to-medium passing and carrying into space when it opens, but he isn't yet the type of centre-back who dictates build-up with frequent line-breaking passes. Overall, he profiles as a modern CB with lots of potential whose value comes from his ability to cover large spaces, with the key step to improve coming from tightening his concentration/positioning details (timing when to step, managing runners behind) and his ball playing abilities.</p>
